In the event this Agreement is terminated (other than by reason of your breach), eZ Netflow will make available to you a file of the Customer Data within 30 days of termination if you so request at the time of termination. eZ Netflow reserves the right to withhold, remove and/or discard Customer Data without notice for any breach, including, without limitation, your non-payment. Upon termination for cause, your right to access or use Customer Data immediately ceases, and eZ Netflow shall have no obligation to maintain or forward any Customer Data.

## **5. Intellectual Property Ownership**

eZ Netflow alone (and its licensors, where applicable) shall own all right, title and interest, including all related Intellectual Property Rights, in and to the eZ Netflow Technology, the Content and the Service and any suggestions, ideas, enhancement requests, feedback, recommendations or other information provided by you or any other party relating to the Service. During use of the Service, you may enter into correspondence with, purchase goods and/or services from, or participate in promotions of advertisers or sponsors showing their goods and/or services through the Service. Any such activity, and any terms, conditions, warranties or representations associated with such activity, is solely between you and the applicable third-party. eZ Netflow and its licensors shall have no liability, obligation or responsibility for any such correspondence, purchase or promotion between you and any such third-party. eZ Netflow does not endorse any sites on the Internet that are linked through the Service. eZ Netflow provides these links to you only as a matter of convenience, and in no event shall eZ Netflow or its licensors be responsible for any

content, products, or other materials on or available from such sites. eZ Netflow provides the Service to you pursuant to the terms and conditions of this Agreement. You recognize, however, that certain third-party providers of ancillary software, hardware or services may require your agreement to additional or different license or other terms prior to your use of or access to such software, hardware or services.

## **7. Charges and Payment of Fees**

You shall pay all fees or charges to your account in accordance with the fees, charges, and billing terms in effect at the time a fee or charge is due and payable. The initial charges will be equal to the current number of total User licenses requested times the User license fee currently in effect. Payments must be made annually in advance unless otherwise mutually agreed upon in an Order Form or through the Online Order Center. All payment obligations are noncancelable and all amounts paid are nonrefundable. You are responsible for paying for all User licenses ordered for the entire License Term, whether or not such User licenses are actively used. You must provide eZ Netflow with valid credit card or approved purchase order information as a condition to signing up for the Service. An authorized License Administrator may add licenses by executing an additional written Order Form or using the Online Order Center. Added licenses will be subject to the following: (i) added licenses will be coterminous with the preexisting License Term (either Initial Term or renewal term); (ii) the license fee for the added licenses will be the then current, generally applicable license fee; and (iii) licenses added in the middle of a billing month will be charged in full for that billing month. eZ Netflow reserves the right to modify its fees and charges and to introduce new charges at any time, upon at least 30 days prior notice to you, which notice may be provided by e-mail. All pricing terms are confidential, and you agree not to disclose them to any third party.

## **8. Excess Data Storage Fees**

The maximum disk storage space provided to you at no additional charge is (i) 1 GB per 5-User license package for Group Edition, or (ii) the greater of 1 GB or an aggregate of 20 MB per User license, for Professional and Enterprise Edition. If the amount of disk storage required exceeds these limits, you will be charged the then-current storage fees. eZ Netflow will use reasonable efforts to notify you when the average storage used per license reaches approximately 90% of the maximum; however, any failure by eZ Netflow to so notify you shall not affect your responsibility for such additional storage charges. eZ Netflow reserves the right to establish or modify its general practices and limits relating to storage of Customer Data.

## **9. Billing and Renewal**

eZ Netflow charges and collects in advance for use of the Service. eZ Netflow will automatically renew and bill your credit card or issue an invoice to you each year on the subsequent anniversary or as otherwise mutually agreed upon. The renewal charge will be equal to the then-current number of total User licenses times the license fee in effect

during the prior term, unless eZ Netflow has given you at least 30 days prior written notice of a fee increase, which shall be effective upon renewal and thereafter. Fees for other services will be charged on an as-quoted basis. eZ Netflow's fees are exclusive of all taxes, levies, or duties imposed by taxing authorities, and you shall be responsible for payment of all such taxes, levies, or duties.

You agree to provide eZ Netflow with complete and accurate billing and contact information. This information includes your legal company name, street address, e-mail address, and name and telephone number of an authorized billing contact and License Administrator. You agree to update this information within 30 days of any change to it. If the contact information you have provided is false or fraudulent, eZ Netflow reserves the right to terminate your access to the Service in addition to any other legal remedies.

Unless eZ Netflow in its discretion determines otherwise: (i) entities with headquarters and a majority of users resident in North America will be billed in U.S. dollars and subject to North America payment terms and pricing schemes ("N. A. Customers"); (ii) entities with headquarters and a majority of users resident in Japan will be billed in Japanese yen and subject to Japanese payment terms and pricing schemes ("Japanese Customers"); and (iii) all other entities will be billed in U.S. dollars, Euros or local currency and be subject to either U.S. or non-U.S. payment terms and pricing schemes at the discretion of eZ Netflow ("Non-U.S./Japan Customers").

If you believe your bill is incorrect, you must contact us in writing within 60 days of the invoice date of the invoice containing the amount in question to be eligible to receive an adjustment or credit.

## **10. Non-Payment and Suspension**

In addition to any other rights granted to eZ Netflow herein, eZ Netflow reserves the right to suspend or terminate this Agreement and your access to the Service if your account becomes delinquent (falls into arrears). Delinquent invoices (accounts in arrears) are subject to interest of 1.5% per month on any outstanding balance, or the maximum permitted by law, whichever is less, plus all expenses of collection. You will continue to be charged for User licenses during any period of suspension. If you or eZ Netflow initiates termination of this Agreement, you will be obligated to pay the balance due on your account computed in accordance with the Charges and Payment of Fees section above. You agree that eZ Netflow may charge such unpaid fees to your credit card or otherwise bill you for such unpaid fees.

eZ Netflow reserves the right to impose a reconnection fee in the event you are suspended and thereafter request access to the Service. You agree and acknowledge that eZ Netflow has no obligation to retain Customer Data and that such Customer Data may be irretrievably deleted if your account is 30 days or more delinquent.

## **11. Termination upon Expiration/Reduction in Number of Licenses**

This Agreement commences on the Effective Date. The Initial Term will be as you elect during the online subscription process or as otherwise mutually agreed upon in an Order Form. Upon the expiration of the Initial Term, this Agreement will automatically renew for successive renewal terms equal in duration to the Initial Term (or one year, if the Initial Term is greater than one year) at eZ Netflow's then current fees. Either party may terminate this Agreement or reduce the number of licenses, effective only upon the expiration of the then current License Term, by notifying the other party in writing at least five (5) business days prior to the date of the invoice for the following term. In the case of free trials, notifications provided through the Service indicating the remaining number of days in the free trial shall constitute notice of termination. In the event this Agreement is terminated (other than by reason of your breach), eZ Netflow will make available to you a file of the Customer Data within 30 days of termination if you so request at the time of termination. You agree and acknowledge that eZ Netflow has no obligation to retain the Customer Data, and may delete such Customer Data, more than 30 days after termination.

## **12. Termination for Cause**

Any breach of your payment obligations or unauthorized use of the eZ Netflow Technology or Service will be deemed a material breach of this Agreement. eZ Netflow, in its sole discretion, may terminate your password, account or use of the Service if you breach or otherwise fail to comply with this Agreement. In addition, eZ Netflow may terminate a free account at any time in its sole discretion. You agree and acknowledge that eZ Netflow has no obligation to retain the Customer Data, and may delete such Customer Data, if you have materially breached this Agreement, including but not limited to failure to pay outstanding fees, and such breach has not been cured within 30 days of notice of such breach.

## **13. Representations & Warranties**

Each party represents and warrants that it has the legal power and authority to enter into this Agreement. eZ Netflow represents and warrants that it will provide the Service in a manner consistent with general industry standards reasonably applicable to the provision thereof and that the Service will perform substantially in accordance with the online eZ Netflow help documentation under normal use and circumstances. harmless from and against any and all claims, costs, damages, losses, liabilities and expenses (including attorneys' fees and costs) arising out of or in connection with: (i) a claim alleging that use of the Customer Data infringes the rights of, or has caused harm to, a third party; (ii) a claim, which if true, would constitute a violation by you of your representations and warranties; or (iii) a claim arising from the breach by you or your Users of this Agreement, provided in any such case that eZ Netflow (a) gives written notice of the claim promptly to you; (b) gives you sole control of the defense and settlement of the claim (provided that you may not settle or defend any claim unless you unconditionally release eZ Netflow of all liability and such settlement does not affect eZ Netflow's business or Service); (c) provides to you all available information and assistance; and (d) has not compromised or settled such claim.

eZ Netflow shall indemnify and hold you and your parent organizations, subsidiaries, affiliates, officers, directors, employees, attorneys and agents harmless from and against any and all claims, costs, damages, losses, liabilities and expenses (including attorneys' fees and costs) arising out of or in connection with: (i) a claim alleging that the Service directly infringes a copyright, a canadian patent issued as of the Effective Date, or a trademark of a third party; (ii) a claim, which if true, would constitute a violation by eZ Netflow of its representations or warranties; or (iii) a claim arising from breach of this Agreement by eZ Netflow; provided that you (a) promptly give written notice of the claim to eZ Netflow; (b) give eZ Netflow sole control of the defense and settlement of the claim (provided that eZ Netflow may not settle or defend any claim unless it unconditionally releases you of all liability); (c) provide to eZ Netflow all available information and assistance; and (d) have not compromised or settled such claim. eZ Netflow shall have no indemnification obligation, and you shall indemnify eZ Netflow pursuant to this Agreement, for claims arising from any infringement arising from the combination of the Service with any of your products, service, hardware or business process(s).
